F. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be approved by City. At City's option, Consultant shall either reduce or eliminate the deductibles or self-insured retentions with respect to City, or Consultant shall procure a bond guaranteeing payment of losses and expenses.

City may terminate or suspend this Agreement at any time, at will, for any reason or no reason, after giving written notice to Consultant at least seven (7) calendar days before the termination or suspension is to be effective. Consultant may terminate this Agreement at any time, at will, for any reason or no reason, after giving written notice to City at least sixty (60) calendar days before the termination is to be effective.

B. Obligations upon Termination. Consultant shall cease all work under this Agreement on or before the effective date of termination specified in the notice of termination. In the event of City's termination of this Agreement due to no fault or failure of performance by Consultant, City shall pay Consultant based on the percentage of work satisfactorily performed up to the effective date of termination. In no event shall Consultant be entitled to receive more than the amount that would be paid to Consultant for the full performance of the services required by this Agreement.

14. Force Majeure. Consultant shall not be liable for any failure to perform its obligations under this Agreement if Consultant presents acceptable evidence, in City's sole judgment, that

such failure was due to strikes, lockouts, labor disputes, embargoes, acts of God, inability to obtain labor or materials or reasonable substitutes for labor or materials, governmental restrictions, governmental regulations, governmental controls, judicial orders, enemy or hostile governmental action, civil commotion, fire or other casualty, or other causes beyond Consultant's reasonable control and not due to any act by Consultant.

Consultant will take affirmative action to ensure that subcontractors and applicants are employed, and that employees are treated during employment, without regard to their race, color, religious creed, sex, gender, gender identity, gender expression, marital status, national origin, ancestry, age, physical disability, mental disability, medical condition, genetic information or sexual orientation.

17. Prohibition of Assignment and Delegation. Consultant shall not assign any of its rights or delegate any of its duties under this Agreement, either in whole or in part, without City's prior written consent. City's consent to an assignment of rights under this Agreement shall not release Consultant from any of its obligations or alter any of its primary obligations to be performed under this Agreement. Any attempted assignment or delegation in violation of this Section 18 shall be void and of no effect and shall entitle City to terminate this Agreement. No waiver of any breach, any failure of a condition, or any right or remedy under this Agreement shall be (1) effective unless it is in writing and signed by the party making the waiver, (2) deemed to be a waiver of, or consent to, any other breach, failure of a condition, or right or remedy, or (3) deemed to constitute a continuing waiver unless the writing expressly so states.

20. Exhibits. Exhibits A constitutes a part of this Agreement and is incorporated into this Agreement by this reference. If any inconsistency exists or arises between a provision of this Agreement and a provision of any exhibit, the provisions of this Agreement shall control.

21. Entire Agreement. This Agreement, and any dispute arising from the relationship between the parties to this Agreement, shall be governed by and construed in accordance with the laws of the State of California, except that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in interpreting this Agreement. Any dispute that arises under or relates to this Agreement (whether contract, tort or both) shall be resolved in a municipal, superior or federal court with geographic jurisdiction over the City of Covina.

27. Attorneys' Fees. In any litigation or other proceeding by which on party seeks to enforce its rights under this Agreement (whether in contract, tort or both) or seeks a declaration of any rights or obligations under this Agreement, the prevailing party shall be awarded

reasonable attorneys' fees together with any costs and expenses, to resolve the dispute and to enforce the final judgment.

NOTES

FLOORING

Flooring is an option that we would highly recommend from both a safety and functionality standpoint.

This flooring option provides two separate flooring systems designed to work for both your bouldering and roped climbing areas.

- 200 SF of 12" ballistic nylon covered bouldering flooring for the bouldering areas.
- 5.5" ProTec flooring for the roped, tall wall area.

AUTO BELAYS

TruBlue Auto Belays can reduce staffing requirements, be used as a lead climbing training tool, and provide climbers with the ability to rope climb without a partner. Pricing includes Auto Belay, mounting hardware, and belay gates.

ROUTE SETTING

Pricing has been provided for Eldorado to set up to 25 routes on your wall.

PRICING DETAILS

Summary Eldorado Climbing Walls proposes to provide materials, labor and services for the construction of a climbing wall for the City of Covina, CA. The proposal is based on 100% Construction Drawings provided by Daniella Andrade. The structure will be designed to be free-standing based on details provided by KPFF.

Material(s) Eldorado's Panelized Wall System is a modular, seamed system of an epoxy-based texture applied over 3/4 inch baltic birch panels. Supported by a steel framing system, the modular panels are quickly installed and can be replaced as needed. A high density of t-nuts (2 per square foot) allows for extensive route setting options. Load requirements are up to 15lbs/sqft laterally and vertically.

Wall Dimensions 920 sqft of climbable surface. 43.5' wide climbing wall; 13.5' tall bouldering wall; 26' tall Roped Wall
