

**CITY OF COVINA
NOTICE OF PUBLIC HEARING**

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Covina will conduct a PUBLIC HEARING in the City Hall Council Chambers, 125 East College Street, Covina, on April 22, 2025, at 7:00 p.m., or as soon as possible thereafter, to consider the following:

ZONE CHANGE (ZCH) 25-01: A City initiated Zone Change to amend zoning designation and the City's Official Zoning Map for 337 parcels throughout the City from the existing RD Residential Zone (Multi-family – RD 1250 and RD 1500) to High Density Residential (HDR) Zone. The proposed rezoning will make the properties' zoning districts consistent with the already applicable General Plan land use designation of High Density Residential as required by Government Code Section 65860. The Zone Change will not otherwise affect the current use of the affected properties, and there is no specific development project in connection with the proposed Zone Change. The Planning Commission will review the proposed zone change and make a recommendation to the City Council on the proposed zone change.

Environmental Determination: Zone Change (ZCH) 25-01 is exempt from CEQA because it can be seen with certainty that there is no possibility that the proposed Zone Change from the existing RD Residential Zone (Multi-family - RD1250 and RD 1500) to High Density Residential (HDR) Zone for 337 parcels throughout the City will have a significant adverse effect on the environment. Adoption of the Zone Change would not approve any development project or other physical change to the environment nor would it increase development potential beyond already applicable General Plan limits. Therefore, the adoption of this Zone Change is exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to Section 15061(b)(3) of the CEQA Guidelines. Furthermore, the proposed zone change does not change allowable land uses or development intensities as authorized under the existing General Plan as it implement Government Code Section 65860 to align the zoning with their applicable General Plan land use designation and therefore qualifies as exempt pursuant to Section 15305 of the CEQA Guidelines.

A MAP SHOWING THE PARCELS SUBJECT TO THE ZONE CHANGE IS INCLUDED IN THIS NOTICE. THE LEGAL DESCRIPTION AND THE LIST OF ASSESSOR'S PARCEL MAP NUMBERS ARE ON FILE IN THE PLANNING DIVISION AND ON CITY'S WEBSITE.
