CHECKLIST FOR

Conditional Use Permit – Non Development

Community Development Department – Planning Division

125 East College Street • Covina, California 91723 • (626) 384-5450 / Fax: (626) 384-5479

All property in Covina is divided into zones. Each zone is designated with certain permitted, conditional and prohibited uses for the land. The purpose of a "conditional use permit" is to allow for a special review and a determination if the proposed use or the location of that use is compatible with the surrounding uses. In reviewing a conditional use permit application, the staff and Planning Commission will evaluate such items as a building placement, massing, and size, characteristic of the use, traffic generation, noise, hours of operation, adequacy of parking, circulation, proposed intensity, landscaping and overall compatibility of the use with adjoining properties and other related development impacts. Conditions may be imposed as necessary to insure that the proposed use will be compatible with the surrounding properties and environment. The Planning Commission is required to hold at least one public hearing on the Conditional Use Permit Application. At least 10 days prior to the meeting, owners of property within 300 feet of the subject site will be notified by mail of the forthcoming hearing, and a notice of the public hearing will be posted. The Planning Commission's decision is final, unless an appeal is filed. For further information, refer to Covina Municipal Code Section 17.62.
